Where The Wild Things Are

Once upon a time Maurice Sendak created a book called WHERE THE WILD THINGS ARE that most of us read as kids. It chronicles the adventures of Max, a feisty little boy, who, restless to meet the world on his own terms, creates (in his bedroom or in a dream) a world "where the wild things are" and establishes himself as the "king of the wild things."

The best fairy tales have always been about empowerment, about kids shaping the world into something they could manage. By conniving clever wolves, shoving wicked witches into ovens, toppling giants, and creating kingdoms, fairy tale kids learn they can succeed through ingenuity, wit, intelligence, and friendship. Young readers sense they can succeed with similar virtues.

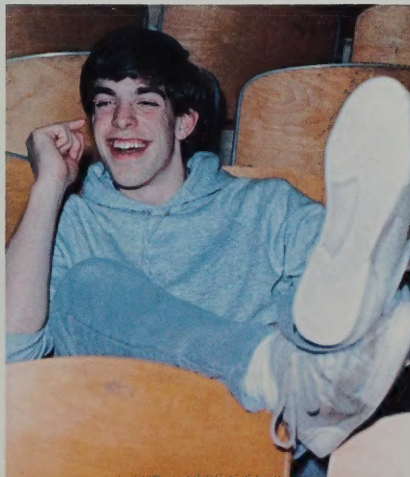

Like Max, we too have been on a voyage "in and out of days." Like Max, restless to meet the world on our own terms, we have made BMHS into our kingdom. This is where the wild things are and we are all kings here. Our beasts have been algebra problems, term papers, cafe food, Chelmsford and Andover rivalries, Monday mornings, K-Mart jobs, band practice, and every new experience we've met.

We're not fairy tale kids and it is another kind of jungle out there. But the class of 1988 has succeeded here with those same virtues we read about: ingenuity, wit, intelligence, and friendship. "LET THE WILD RUMPUS START."

An Indian Thanksgiving

November 26, 1987. On a rainy Thursday morning, the Billerica Indians met their arch-rivals, the Chelmsford Lions, on the football field. The first kickoff, and the annual Thanksgiving game was on! In the first quarter, Joe Napoli zipped past the rivals for a touchdown to lead the score 7-0. However, the Lions regained strength and score a touchdown, tying the game just before halftime. In the third quarter, defenses from both sides made it scoreless. The fourth quarter came with controversy and a fight. Mike Esposito, head coach for Billerica, argued with referees over a bad call on a play. 200 pairs of eyes witnessed Chelmsford's Kyle Cripps' knee touch the ground before he was able to carry the ball over the endzone. Our side fought for justice and was hit with a penalty: the Lions kick off at Billerica's 20 yard line. They scored again, plus a two point conversion, and brought the score to 22-7. With 1:09 left in the game, the referees stopped everything due to a fight on the field that took the police to break up.

Jr. Jeff Gallison makes a terrific catch for the Indians.

Wild Boys

The 1987 Billerica Memorial Indians Football team had its ups and downs. Many people felt that this football team was young, inexperienced, untalented, and very unpredictable. These people had no idea what they were in for. The team started slow in the beginning of the season, but turned it on to make it a respectable season. The team that people said wouldn't have won one game came out with a 5-4-1 record. Billerica started off the season with a loss to Xaverian and Methuen. Then Billerica shut down the Lawrence Lancers with a tenacious defense. Next Billerica Indians were stunned by a tough Andover team on a Friday night.

This was the turning point; the Indians became furious and started playing football, Billerica style! They came back with a four game winning streak by beating Lowell, Dracut, Lawrence Central, and Tewksbury. Billerica then played well, but could only manage a tie against Wilmington.

Then came Thanksgiving Day where Billerica came into the game fired up against a strong Chelmsford team. Billerica kept it scoreless through the first quarter

and took the lead in the second with a touchdown by Joe Napoli. Chelmsford tied it up quickly. The third quarter was scoreless for both teams. The Billerica Indians did not get the breaks but gave up a valiant battle with the eventual Super Bowl Champions.

This courageous football team was lead by captains Joe Napoli and Derek Ryan. The seniors who contributed heavily to the season are: Rich Hasbrouck, Chris Callery, Barry Smith, Jerry Clemente, Derek MacKay, Brian Kelly, Craig Mainicof, Howie Hobbs, Brian Segool, John Mason, Mike Kraus, Tim Kelly, Derek Babin, and Shawn Radzvin.

Thanks to the whole coaching staff which includes Michael Espisito, Bill Johnson, Mike Beraldi, Phil Heffernan, Bunky Lyons, and Bobby Falcone.

Our football team may not have been the best or most talented but our will to win carried us through the season. As our coaches once said, "Our kids are tough hard-nosed kids who really are willing to sacrifice anything to win."

This Year's girls' swim team has had a good season considering the loss of key team members to graduation. The motivation from Coach Blake and Anthony Fiore and the new diving coach Tom Conners really helped the girls swim to the best of their ability. There were several newcomers who helped make this a successful season, including divers Mary Conners and Christina Iannelli. Senior captain Stacey Koskey competed in the 200 and the 100 yard freestyles, her best time 1:03. Captain Suzanne Catino swam butterfly in the 200 medley relay and the 500 yard freestyle, her best time 7:02. Debbie Carroll gave the team three first place victories, her best time 1:22 in the 100 yard breast stroke. Janine Cumming contributed with first and second place victories in the backstroke and 200 meter. Kristen Raybould earned helpful points against Westford in the 200 and 100 meter butterflies.

Volleyball

The 1988 girls varsity volleyball team finished the year with an outstanding record of 16-1, winning the Merrimack Valley Conference. Leading the team in their remarkable season were senior co-captains Kelly Ramsey and Korin Flynn. The high point of the season was beating Chelmsford, destroying their two year winning streak. Despite a colorful season filled with dedication and hard work, the girls went on to the state tournament where they unfortunately lost to Stoneham in the North Sectional Finals.

The team will be losing four seniors to graduation: co-captains Kelly Ramsey and Korin Flynn, Peggy Sullivan, and Lily Donadio. Although the varsity squad is losing these key players, the tradition of excellence will be carried on by upcoming players Tammy Sample, Linda Ames, Dottie Cooke, and Laurie Kitchen.

Girls Soccer

It took two days, nine overtimes, and 162 minutes, but the Indians finally whipped Acton-Boxboro, 3-2, in the opening round of the state tournament. It was, by far, the highlight of the season, as well as the longest Eastern Massachusetts tournament game ever played in girls soccer. This overtime thriller was an appropriate ending to the 1988 girls soccer season with a winning record of 12-6-2. Earlier in the season, the girls crushed archival Chelmsford in a dramatic 2-1 victory, the first time ever in the team's history to beat the lions. An overwhelming feeling swept over each Billerica Indian as their hard work and dedication finally paid off and the much desired win was achieved. In addition to these records, the girls allowed the fewest number of goals, 15, while scoring 41. This well-rounded team with an exceptional defense helped the halfbacks control the middle of the field which enabled an offensive line to become the best in the league.

Their nine shutouts and the election of three players to the MVC all-star team added to the impressive achievements of the team. The quad-captains Suzanne Dante, Sara Doherty, Jennifer O'Brien, and Ann Manne led the team to their best overall record ever. The girls' tremendous effort and the coach's enthusiastic encouragement and guidance made this a memorable season.

Boys Soccer

The boys Varsity Soccer Team had its usual strong season with a great record. The Indians major opponents were perennial power "kick-and run" Lowell and hated arch-rival Andover, along with solid newcomers Tewksbury and Dracut.

The season began with many high hopes resting on a very capable core of senior shoulders and supported by a talented cast of underclassmen. The team was backboned by an outstanding defense, in addition to spectacular goal-tending and aggressive midfield playing. These factors allowed the team to key a superb performance in the MVC.

In the post season tournament, Billerica received a bye in the first round. Then, in the second round, the Indian's season came to an end as they were defeated by a huge St. John's Prep team.

Despite a lack of firepoewr, a few bad breaks, and some serious injuries, the Indians took whatever they were dealt in stride and more often than not came away victorious.

Wild Drive

The 1988 Billerica Golf Team had one of its best seasons in years. Coach Mike Cowdry led the team to a 11 and 5 record which gave them a third place spot in the league. They also qualified for the state tournament. The teams success was a combined effort from a group of people who could not have been better competitors. Seniors Greg Babcock, Jason Higgins, Bill Doyle, and Jeff Schlehuber had an outstanding season. Juniors Joel Jenkins, Bob Fletcher, Jeff Higgins, and Scott Woodin also contributed to the 1989 team. The 1988 season wouldn't have been quite as enjoyable if it weren't for team captain Rick Delisle. His humor and enthusiasm got the team in high spirits before every match.

To The Members of the Class of 1988:

Graduation is a time for gifts. You have received a gift. It's a gift that will not wear out, break, or rust. It's a gift that will increase in value every day. Once the gift is opened, it will never be thrown to the back of the closet and forgotten.

The gift is, of course, your education. Use it wisely in whatever your chosen field of endeavor. I join with the Billerica School Committee in congratulating each and every one of the Billerica Memorial High School graduates. May your future be filled with happiness and success.

Sincerely,

Robert J. Calabrese

Dear Graduates,

Your graduation this year takes on particular meaning for me, because your class is the first class that I saw entering B.M.H.S. as freshmen and now leaving B.M.H.S. as graduates.

In the four years that we have been together, it is my hope that you have experienced the three elements of a successful high school that B.M.H.S. states as its mission and strives to realize. First, I hope that the courses you have taken have challenged you and stretched you to your limits - to become more than you are now. Second, I hope that we - the faculty and administration - as well as you yourselves, have developed and maintained very high standards for your performance both within and outside the classroom. Third, I hope that you have experienced a community of concerned people at B.M.H.S. - people who care for and about others as well as themselves.

If you can say yes to these three hopes that I have for you, then I believe that B.M.H.S. has served you well. If one or more of these elements are missing from your lives as you graduate, then I call upon you to take their taste which you received here and bring each to fruition in your future.

Congratulations upon your graduation. Please know that you are always welcome at B.M.H.S.

Best wishes,

HELP! SYNTAX ERROR!

BEEP!

'What?!' An irate computer programming student stares at a unresponsive monitor. Meanwhile, in another room of Billerica Memorial High School, natural science students compare their lab results with those of their fellow classmates on a database program.

Still elsewhere, sophisticated Wang computers help business students simulate the modern day office as these students prepare for a career in an increasingly complicated business environment.

These are just a few of the uses to which computers have been applied in the high school. In virtually every major subject area, spanning myriads of different software capabilities, from word processing to LOGO programming, computers are changing the face of education today. Computer literacy is attained more or less at the middle

school level through the Billerica Public School system, which means that students entering the high school are free to use working knowledge of computers to assist them in their education

In the area of English, word processing programs are employed to help students in the formulation of literary compositions. Using computers in this way, research papers do not have to be typed and re-typed several times when errors are found. A word processor allows the student (or even the teacher) to make instant changes on a screen before the composition is printed out, making the creation of these compositions much easier.

In the Math department, computers can facilitate the solving of a complex problem when programmed correctly and allow students to experiment with graphics and other interesting applications. Similarly, in the area of science, computers can perform calcula-

tions with little or no error and, therefore, have limitless applications.

Computers also permit art students to make thumbnail sketches of what these artists wish to create, without actually using up art supplies. Again, with this the possibilities are endless, not to mention the great convenience this function provides.

The business department uses computers to train students for demanding careers in business where computers are constantly being used. This is a mere sampling of the applications of computers in Billerica Memorial High School.

Oh, and by the way, that certain programming student finds the error in the program which now runs perfectly to completion.

PLAY SCHOOL

The Home Economics Department at Bilerica Memorial High School offers students the opportunity to care for children and gain hands-on experience. This course is Child Development, taught by Patricia Cody. According to Ms. Cody, "The course gives students practical experience in working with young children both for possible future careers in the child care field as well as future parenting." The Play-school program is limited to sixteen children who were chosen in the spring from applications received. The children have fun during playtime while it helps them develop skills for kindergarten.

The student-teachers plan activities each week and are assigned certain duties. This provides organization and ease for the day. A typical day in Playschool includes morning meeting, activity period, story time, songs, snack time, and free play. One mother commented that Playschool is "the best thing for my child, because he has no one in the neighborhood his age to play with." It is obvious that Playschool is affecting the community and BMHS students in a positive way.

THE EGG SPECIALISTS

During the first week of December, Mr. MacDonald's Child Behavior classes worked on a project involving something very simple: eggs. The project was used to give the students a taste of the hard work that goes into being a parent. The project lasted one and a half weeks, and was a huge success.

Students drew faces and hair on the eggs, clothed them in homemade clothes, and got babysitters when they were going out. Some had twins or triplets. Many kids also made "bassinets," "playpens," and "strollers" so that the babies could be carried through the hallways without being crushed.

The projects were graded on daily attendance, a daily diary kept by the parent, the baby's appearance, transportation device, and a filled-out birth certificate. If a baby was dropped, the parent's project grade

was dropped by ten points. Many incidences of kidnapping occurred, and ransom notes were found. Few eggs were returned by the abductors.

The majority of the students liked the project. When Anne Whyte was asked what she thought of the new responsibilities, she said, "It was fun. I think everybody enjoyed it. I learned that taking care of babies isn't as easy as everybody thinks it is."

Mr. MacDonald was asked if the project worked. He answered, "Yes. I feel people realized the responsibility involved in taking care of a fragile newborn."

As a participant, I had fun taking care of my three babies (eggs). I think that this project helps students realize just how much work it takes to care for a baby.

In Memoriam

Mr. George Carlino

SHOULD YOU GO FIRST

Should you go first and I remain
To walk the road alone,
I'll live in memory's garden, dear,
With happy days we've known.
In Spring I'll watch for roses red
When fades the lilac blue,
In early Fall when brown leaves call
I'll catch a glimpse of you.

Should you go first and I remain
For battles to be fought,
Each thing you've touched along the way
Will be a hallowed spot.
I'll hear your voice, I'll see your smile,
Though blindly I may grope,
The memory of your helping hand
Will buoy me on with hope.

Should you go first and I remain
To finish with the scroll,
No length'ning shadows shall creep in
To make this life seem droll.
We've known so much of happiness,
We've had our cup of joy
And memory is one gift of God
That death cannot destroy.

Should you go first and I remain,
One thing I'd have you do;
Walk slowly down that long, lone path,
For soon I'll follow you.
I'll want to know each step you take
That I may walk the same.
For someday, down that lonely road,
You'll hear me call your name.

ALBERT ROWSWELL

In Memoriam

Mrs. Donna Tuttle

But the just woman, though she die early, shall be at rest.
For the age that is honorable comes not with the passing of
time, nor can it be measured in terms of years.
Rather, understanding is the hoary crown for men, and an
unsullied life, the attainment of old age.
She who pleased God was loved:
she who lived among sinners was transported —
Snatched away, lest wickedness pervert her mind or deceit
beguile her soul;
For the witchery of paltry things obscures what is right and
the whirl of desire transforms the innocent mind.
Having become perfect in a short while, she reached the
fullness of a long career;
for her soul was pleasing to the Lord, therefore he sped her
out of the midst of wickedness.
But the people saw and did not understand, nor did they take
this into account.

Winter Sports

Boys Basketball

The 1987-88 boys varsity basketball team enjoyed its best season in three years, posting a 10-10 overall record and a 8-7 league record. The team missed going to the state tournament by just one win. It was even closer than that, considering that the team had lost five games by one or two points, and one by three.

The season was highlighted by several great victories, two of which came at the hands of Steve Morrisroe who hit clutch jump shots, to beat Chelmsford and M.V.C. champion Lawrence Central. Another impressive win came against state quarterfinalist Lowell, a two point triumph. The tribe also scored wins against small school champ Tewksbury, Concord-Carlisle twice, Methuen, Lawrence, Wilimington, and Dracut.

The Indians were led by tri-captains Mike Goodwin, Glenn DiSarcina, and Dan McCaffery. Glenn DiSarcina and Mike Goodwin were named to the M.V.C. All-Star squad for the second year in a row. Mike Goodwin was also named to the M.V.C. All-Conference team.

The team was also helped by the strong senior efforts of Joe Tomei, Sean Doherty, and Chuck Denehy, along with the great play of seniors Paul Leyne, Sean Crump, Brian Flaherty, and Juniors Jeff Gallison, Sean Hardy, and Jay Mills.

The team would like to thank Coach James, Coach McDermott, and Dick Donnelly for their time and effort they put into this season. It was much appreciated.

Girls Track

The BMHS Girls Indoor Track Team, coached by Mr. Murphy, had an excellent 1987-88 season. The team ran, threw, and jumped its way to a commendable 7-1 record, leaving the team just one meet out of the MVC title.

The girls started off the season with a close meet with Lowell High. This was to be the only loss the Girls' Winter Track Team suffered in the regular season- just enough to take the MVC title from Billerica. As the season unfolded, the team pulled it together and went undefeated in the rest of the winter's dual meets. In fact, as the season progressed, Billerica placed ahead of Lowell (the 1987-88 Girls' Indoor Track MVC Champs) in both the State Indoor Track Relays and

the MIAA State Track Meet.

Senior co-captains Sara Doherty and Suzy Smith will be leaving the team, as will seniors Laura Boucher, Kim MacKinnon, Kristin Raybould, and Kristin Rumley. Congratulations to: Joanne Chin, recipient of the Most Improved Player Award; Suzy Smith, recipient of the Coach-Captain Award; Sara Doherty, recipient of the Most Outstanding Player Award; and to the 1987-88 Girls' Indoor Track Team for their dedication, improvement, and achievement throughout the season.

Boys Track

The Boys Indoor Track finished the season well with the leadership of Coach Bradford and captains John Kenney, Christopher Dreikosen, John Harring, and Jim Lawless. The team ended its season strongly with a 5 win, 3 loss record.

The boys' season started badly with injuries and sickness. The team posted a good season in non-league meets by finishing 4th in the Northern area, 14th in the State Class A meet, and having two finishers in the State Coaches' meet and state relays.

Scoring seniors not returning next year are Christopher Dreikosen, Barry Smith, Craig Wilson, Jim Lawless, John Burke, John Kenney, John Harring, and John Mason.

Strong winners for next year's team will be Matt Warden, Dennis Hart, Jeff McCarron, Jeff Wright, and Mark Dangora.

Girls Basketball

... It's hard to imagine. No more four o'clock practices, the two hours of pain, sweat, and improvements ... no more line drills ... no more suicides ... no more spazzes from the coach ... "The feeling" we got from achieving will not be experienced again ... No more times when the whole team gathered in a circle, sat on the balls and listened to Mr. Furlong's plays ... No more times to mimic him when he turned his back, all in play. No more practices.

... It's hard to imagine there won't be any noisy bus rides. Most of the time they were to strange you have to look back at them and laugh ... our ears still ring with our voices gossiping ... and our throats still hurt from singing with the radio. There will be no more quiet bus rides home after the big upset. No more bus rides.

... It's hard to imagine there won't be anymore games. No

more competing ... no more fouls ... no more splinters from sitting on the bench. Our eyes won't wander around the stands, looking for our friends and families who were always there. The feeling we get from just playing in a game, playing the best we can will never be felt again ...

... A few years from now, when we look back on this season, we'll remember all the fun times we shared. We'll remember the leadership of co-captains Korin Flynn and Cynthia Ford ... The hustle and determination of Kelly Ramsey, Lori Elmore, and Jennifer O'Brien ... And we will always remember Julie Sandberg, who touched our lives in many ways.

Just memories ... It's hard to imagine.

Hockey

Billerica has enjoyed a long tradition of winning hockey teams. The 1987-88 Varsity Hockey Team was certainly no exception. This year's team left the rink at the end of the season as the Merrimack Valley League Large School Co-Champions. Coach Mark Jenkins and Senior Co-captains Fran DeChristoforo and Kirk Frevold led the Indians to an impressive 14-6-1 record, which enabled the team to be one of only eleven teams to qualify for the Eastern Massachusetts Division I North Tournament.

Players who were major factors in the success of the 1987-88 team are: goalies Tom DiNanno, Tim Donovan, and Brian Kennedy; top guns John Barron (wing), Fran DeChristoforo (co-captain), Jim Fitzgerald (wing), Kirk Frevold (co-cap-

tain) and Bob Kupka (center); and blue line corps leaders Bill Doyle, Don MacLeod, John Rosa, and Don Sherwood.

Several players received post-season recognition from their coach for their hard work. Mike Glavine received the Most Improved Player Award. Kirk Frevold was the recipient of the Coach-Captain Award. Bobby Kupka was judged the team's Most Outstanding Player by Coach Jenkins and his assistants. Congratulations to the recipients of these awards and to the team which these players represent, the Merrimack Valley League Large School Co-Champs, on yet another successful hockey season. May the winning tradition continue.

Gymnastics

The Girls Varsity Gymnastics Team finished their 1988 season with a record of five wins and five losses. The team consisted of upper classmen and seven up-and-coming freshmen who were strong against tough competitors like Dracut and Chelmsford.

Captains Cindy Burt and Kristen Fitzgerald also performed well. Their efforts led their team to break the school record of 105 points and replace it with the present point total of 113.

The team also did well in the Merrimack Valley Conference League meet. Strong performances were turned in by Judy Anthony, Peggy Schwarzel, Dawn DeCicco, Michelle Osbourn, Kristen Fitzgerald, and Cindy Burt, who placed third in the All-Around competition. The whole team was very supportive of each other, and it was a fun and challenging year.

Yearbook

The project of creating the Yearbook began with enthusiasm and creativity from a large staff. It began in June of '87 and did not end until August of '88. Sections were decided

by majority vote. Chaos usually set in due to the frenzy of the Senior year. Many students contributed to the making of the hardcover time capsule.

Silver Jade Marching Band

The thrill of victory.

The agony of defeat.

The 1987-88 marching band season.

For the BMHS Marching Band, a season of unprecedented success is a tough act to follow. Starting from the first day of summer camp, people realized the "honeymoon" was over. Along with this realization, came a lot of hard work and added effort throughout the season. To add to the usual stress and work load of the season, many crises came up that had to be dealt with: injuries, finances, and attitudes. Setbacks, however, didn't get the members down. We joined together as a family, helping and supporting each other through the highs and lows. We comforted one another after a disappointing show, and laughed and cried after a well earned victory. It had been a frustrating season, always feeling like the judges were out to get the former EMBA champions, but the determination stayed through it all. As well as going to scheduled practices, different sections pulled together on their own time to accomplish specific goals that members felt should be reached. Soon finals were upon them. Everyone regarded them with mixed feelings; some of dread, tension, relief that the season would soon be over, and sadness in knowing that this would be the seniors' last hurrah, our last to shine. What we did on that field on that night was something to be remembered. The band and color guard put on the finest show of the season, putting every ounce of energy into every step we marched, every note we played, every flag we twirled. Coming off the field, the faces were full of smiles, laughter, tears and there was plenty of hugging. There was tension filling the air as the awards ceremony began. Billerica was placed fifth, with a score of 94.5, and recognition for being Massachusetts State Champions. Although we did not come home with the championship banner two years running, it was still a good way to end such a tough season; coming home happy, please and relieved.

Spring Sports

Baseball

This year's baseball team had a good season under the leadership of Captains Tim Murray and Glenn DiSarcina, and with the guidance of Coach Sidorovich. The team did well with rookie pitchers Mark Magaruru and Keith Qualter in a season where they finished second in the Merrimack Valley Conference. The Indians were left one game out of first place with a loss to Andover in the last game of the season.

With their outstanding record, the team made it into the Division I tournament, but lost to Waltham in the preliminary rounds.

The team will be losing seniors third baseman Bob Kupka, catcher Tim Murray, Glenn DiSarcina, Chuck Denehy and Chris Agostino, but with a strong returning team and veteran outfielders and pitchers, next season is expected to be a good one.

Softball

The softball season began in April, and although the team opened the season with a few losses, the team improved as it gained more experience. Under the guidance of Coach Linda McLaughlin and co-captains Denise Elliot and Karen Jackson, the 1989 team is left a promising one. With the benefit of more experience and the already present dedication of the players, next year's team plans to improve on both individual and team levels. Five seniors who have brought experience, leadership and dedication to the 1988 team are: Laura Boucher, Lynda Dantas, Denise Elliot, Karen Jackson and Christine Ward. The best of luck to all softball players who will be returning next year!

Boys Tennis

The Boys Tennis Team finished with an 11-7 record this year. Co-captains Steve Dankese and Chad Frederick played first singles and second singles respectively. The third singles position was shared by Andy Donovan and Conan Daily.

The strength of the team was at both doubles positions. At first doubles the duo of Don O'Sullivan and Scott Christo earned All-Conference honors with an undefeated conference record. The second doubles team of Tom Hernon and Tim Gibson also went undefeated in eight matches this year.

Matt Xavier earned a varsity letter at third singles and second doubles positions. Mike Raybould and Tom DiNanno earned varsity letters at second doubles.

The team capped off the season with a 4-1 loss to Swampscott in the preliminary round of the state tournament. The team is losing five of its seven starters, but with a good crop of underclassmen coming up the team is expecting another good season next year.

Girls Tennis

The Girls tennis team finished off the season with an excellent 11-7 record. The season was thought to be a rebuilding year, but with Leigh McCarty going undefeated at first singles, the team made it to the State Tournament.

Kris Frazier and Dana Caraba at second singles and third singles respectively also played well throughout the season. Both doubles teams played well in reaching the state tournament.

The girls lost to North Reading in the State Tournament, but with the starting line up returning next year, they should have an even better team.

Lacrosse

This season's lacrosse team was an inexperienced one, with only four returning veterans. The team will be losing co-captains Dan McCaffrey and Paul Leyne, goaltender Paul Olsen, midfielder Chris Marmiani, and defensemen Chris Callery and John Rosa, but is hoping for a good season next year with a more experienced team.

Dan McCaffrey, a midfielder, was named to the All-Conference Team, and he and attackman Paul Leyne were both selected for the All-Star Team. The recipient of the Coaches Award this year was Paul Leyne. Mike King was chosen as the Most Improved Player, and Dan McCaffrey was awarded the Most Outstanding Player Award.

Boys Track

This year's boys track team had a successful season, finishing fourth in the MVC. Tri-captain Jim Lawless put in outstanding performances in every meet and was a valuable participant in the two mile relay. Tri-captain Chris Dreikosen specialized in the high jump and the high hurdles, as well as the long jump and the triple jump. Tri-captain John Burke performed well in the discus and shot put events.

The team placed fourth in both the Haverhill Invitational and North Area meets. Next year's team is expecting a good season with the return of athletes who gained experience during the 1988 season.

Girls Track

This year's Girls' Track Team had a successful season, finishing second in the league with a 6-1 record. The relay teams were strong, the two mile relay team finishing first in the Northern Area Meet. The 4x200 relay team was first in the state relays. Sara Doherty was a strong competitor and completed the season undefeated in the high jump and set a new school record at 5'5".

Kerry Goguen was named to the MVC Large School All Stars for the mile and Sara Doherty for the high jump and the 200. Award winners were Sara Doherty for Most Outstanding Athlete, Joanne Chin for the Coaches Award, and Tracy Penrose as Most Improved. Last Will And Testament

Friends, parents, teachers, students, lend us your ears. We come in joy and not in sadness to present and record the last will and testament of the Class of 1988. We, the senior class, being of sound mind and body, leave behind:

To Mrs. Jane Johansen we leave a copy of our junior prom song, "This Is The Time," so that she will always remember it.

Since Mr. Tsoukalas uses his magic to saw a woman in half, we leave him a magic box and Miss Buckley as his assistant.

Since Mr. Roach is such a nice guy, and can take any type of weather, we leave him a microphone so he can share his songs with more people.

We leave Mr. MacDonald (sir, bow) a case of "eggs."

We leave Mr. Riley a new copy of the book he loves so much, *Beowulf*.

Mrs. Molloy will always have our love, memories of our unique classes, and our promise of safety. Thanks for teaching us to "peruse," we've learned a lot.

To Mr. McLellan, we leave a lifetime supply of Nestle Crunch Bars, and a copy of "Stand By Me."

To the class of 1992, we leave all of our books, extra passes, excuses, and most of all luck. Also, we leave next year's freshman class 500 pairs of roller skates so they can get to class on time.

To the remaining classes, we leave years of running the 600 in gym on the hottest day of the year.

We also leave an unlimited supply of Mr. Staveley's "Happy Days" to anyone who needs one.

We would like to return to Mrs. Mount her mind, that she has probably lost over the past four years.

To the junior girls, we leave the Senior girls' playbook, so that they can have better luck in next year's "powder puff game."

To Mr. Pagliarulo, we leave the boys basketball playbook, to help improve the teachers' basketball abilities.

For Mr. Greenawalt, we have appropriated money for a crash course on "The Art of Basketball."

As for Mr. DiMare, we leave an official referee shirt to help get him through the day.

For Mr. McDermott, we leave with gratitude and the assurance that some in fact do care.

We leave to Miss Buckley a box of NHS induction ceremony program booklets, with no names left out.

To Mrs. Breen, we leave an unlimited supply of coffee to help her with next year's literary magazine.

To Dr. Sharkey, we leave our gratitude and appreciation, and a new microphone to help him with next year's assemblies.

To our class advisors, Mr. Tom DiMare and Mrs. Jane Johansen, we leave all our love and thanks for all that you've done.

Finally, now that all is said and done, we can reflect upon the good times we've had. We would like to acknowledge the support of anyone that we forgot. We couldn't have made it without you!

We, hereby declare this to be our last will and testament in the year of our Lord, one thousand nine hundred and eighty-eight.

Into The Wild Blue Yonder . . .

"The Class of '88 has seen many changes and challenges in four years. It has taken on the challenges and has learned to respect the changes . . . It is known that we are a successful class in more ways than one. From academics to social gatherings, athletics to school clubs, Nestle Crunch bars to Proms and from September of 1984 to June of 1988, we, as a class, have gone beyond the expectations of everyone . . ."

-Sean Crump, President of the Class of 1988

Bottom: Laurie Souza doesn't let a broken leg get in the way of her graduation.

"... We have worked together, fought together, had fun together, cried together, competed against one another, but most importantly, we've always been there for each other. We were fortunate to have great coaches in our teachers who have supported us and encouraged us to do our best. We've all worked very hard to get this far, but have had a lot of fun along the way . . ."

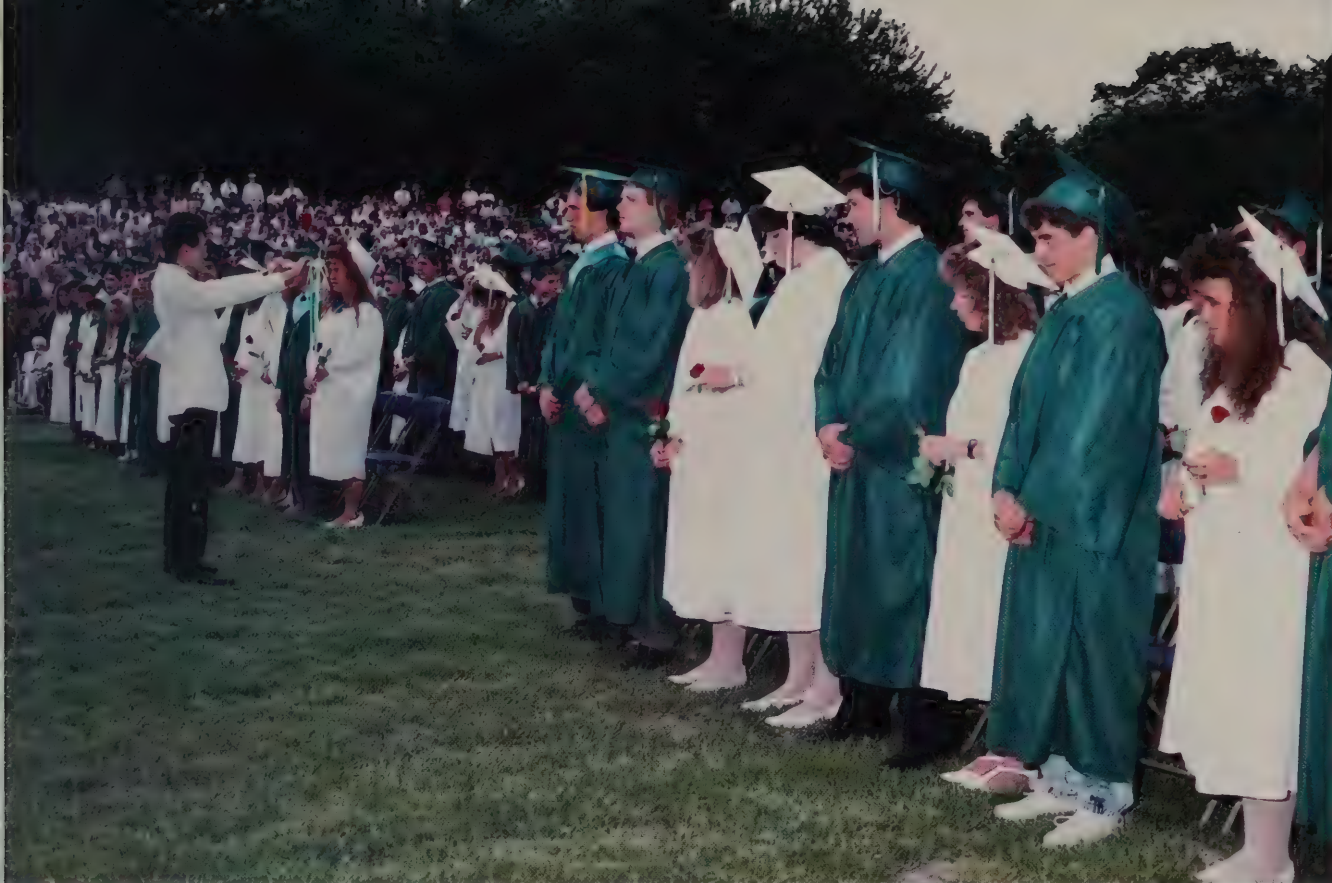

Susan Moser, Salutatorian of the Class of 1988

“... Now, as we have finally achieved the goal of graduation, it is our turn to give. One of the best ways for us to give back what we took from the system is to be successful in all that we set out to accomplish... It is through these aspects: selflessness, being true to yourself, commitment, hard work and service that we achieve success and it is through success that we begin to reflect on BMHS and repay what we owe... Let it be said that the class of '88 was not only the best class to attend this high school, but the most successful class to graduate from Billerica Memorial High School.”

-Alan Gardiner, Valedictorian of the Class of 1988

Derek Babin and his infamous shades.

“... It is hard to believe that our Graduation is tonight. Soon to come, we will all go our separate ways... Let us strive to remain close as the Class of 1988, who ran from class to class in six minutes, who made lockers look like disaster areas, and who helped each other in times when we needed support.”

-Dan DiBona, *Reflections*

Li'l Abner

The BMHS Spring Musical "Li'l Abner" was a smashing success. All three shows were sold out early, and chairs were added in the auditorium to accommodate demanding audiences. Set in fictional Dogpatch USA, the simple plot of a lovesick girl's attempt to catch her man was made colorful by the talents of its cast. Laura Errico and Rob Scullin took the leads as Daisy Mae and Li'l Abner. Supporting cast included fine performances by Brant Aylward as Marryin' Sam, JayR Seymour as Earthquake McGoon, Rhonda Rogers as Mammy Yokum, and David Aylward as Pappy Yokum. Other seniors involved were Sean Lemieux Brian Dufault, Julie Garceau, Alicia Fradkin, and many others, both on-stage and behind the curtains.

“Well, it’s August
and our footsteps echo
through the empty hallways.
Where are those guys from the lake?”

“They’re getting us
our umbrella drinks.
But they’ll be back,

The background is a dense, abstract pattern of overlapping, irregular shapes in various colors including purple, yellow, blue, and red. The texture appears to be that of a coarse fabric or a heavily layered paper. A white rectangular sticker with rounded corners is placed in the center-left area. It contains two lines of red text: "For Reference" in a larger, bold font, and "Not to be taken from this room" in a smaller font below it.
